

## Towamencin Township Traffic Concern Review Request Form

Date of Request \_\_\_\_\_

The purpose of this form is to provide information to the Towamencin Township Traffic Calming Committee regarding township resident's traffic concerns. Please fill out the fields below to provide contact information, describe the specific intersection or road segment that is the subject of the concern, and provide a brief description of the concern so that the Township can provide a response regarding the concern.

### Contact Information

Please provide your contact information below. If there are multiple residents who share your concern, please provide their contact information as well. Please provide additional contact information on additional pages, if necessary, provided at the end of this form.

Name	Physical Address	Email Address	Phone Number	Primary Contact?

### Specify the Location and Concern

The Township will respond to a review request within 30 business days at the first available Traffic Calming Committee meeting where this request is discussed. Please return the form to the Township Manager.

Please note that traffic issues along State maintained roadways are under the jurisdiction of PennDOT, and concerns regarding the following roadways should be provided to PennDOT. However, please also include the Township on any correspondence with PennDOT. State maintained roadways in Towamencin Township include Old Forty Foot Road, Sumneytown Pike, Welsh Road, Valley Forge Road, Troxel Road, Allentown Road, Old Forty Foot Road, Wambold Road, and Quarry Bridge Road. Sumneytown Pike east of Forty Foot Road is a Montgomery County maintained roadway and concerns should be provided to the County. Please copy the Township on any correspondence with Montgomery County.
